

The Literacy Lens™

What

a research-based review and analysis of the literacy environment, practices, resources, and policies in a school or district

Why

to help educators identify areas of strengths and gaps for defining data-driven steps to improve the literacy environment and practices to positively impact reading and learning

Results

- identify literacy program strengths and gaps
- develop a comprehensive K-12 literacy framework
- align curriculum across and between grade levels
- define professional development needs
- strategically allocate resources
- develop an action plan to impact literacy achievement

Custom Options

Zoom

a focused review and analysis that zooms in on a specific aspect of literacy practices or policies

Snapshot

a snapshot review and analysis that focuses on literacy practices, environment, and policies

Duplicate

a train-the-trainer model in which the Literacy Review Team trains district staff to use THE LITERACY LENS™ Protocols – Learning Unlimited provides analysis and recommendations

Wide Angle

a comprehensive review and analysis that provides an in-depth examination of the literacy environment, practices, resources and policies

over twenty-five years experience in the field of education

About Us

experience. strategies. results.

The Learning Unlimited Associates are uniquely qualified to provide a wide variety of literacy services for schools and school districts... from developing a districtwide literacy framework to hands-on technical assistance and professional development.
